Tax

Family Business

Alicia Martínez Susmozas is a principal associate in Garrigues' Tax practice area, where she has pursued her entire professional career since joining the firm's Alicante office in 2009.

Among the various tax-related fields in which she works, she is a specialist in the taxation of family businesses and corporate groups, and corporate reorganization operations.

In particular, she is an expert in the design and implementation of transfer pricing policies, reorganization processes, the analysis of value chains, business restructuring operations, the valuation of related-party transactions, etc.

Having trained as an economist, she has undertaken engagements for the valuation of companies and of the businesses and assets of medium-sized enterprises.

Alicia Martínez Susmozas is a member of the Alicante Association of Economists.

Experience

Alicia Martínez Susmozas is a senior associate in the Tax Law practice, having developed her entire professional career in the Alicante office since joining in 2009.

In her professional activity she has participated in the general tax advice of numerous business groups, in corporate restructuring operations as well as in transfer pricing matters:

- Design and implementation of transfer pricing policies at national and international level.
- Analysis of corporate reorganisations.
- Analysis of value chains in national and multinational groups.
- Valuation of related-party transactions.
- Amicable proceedings.

- Tax verification procedures.

Academic background

- Degree in Business Administration from Universidad de Alicante.
- Master's Degree in Business Administration from Escuela de Administración de Empresas EAE.
