### Corporate and M&A

Agribusiness and Food

Securities Markets

---

Miguel Ángel López Mateo is co-head of the Agribusiness area of Garrigues since the creation of the practice by the firm. As global co-director, he coordinates the food & drinks activity of all our national and international offices.

He has wide experience in M&A, leading teams in Spain, Portugal and in several Latam countries where he has advised a large number of transactions for the acquisition and for the divestment of companies and assets (such as farmland, warehouses, bottling plants, etc), carve-outs, LBOs and MBOs.

He usually works with national and international PE funds, advising private equity investors from the pre-investment stages of the projects, during the build-up, restructuring add-ons and portfolios and in all sort of exits, including secondary buy-outs.

Advising the day-to-day management of food companies, Miguel Ángel is one of the most reputed experts in areas such as Food Chain laws, and the reference advisor of national associations and federations such as FEPEX.

He is equity partner since 2018. Miguel Ángel studied at Universidad de Murcia, at University of London (PGC) and at UC Berkeley (LLM, with High Honors, being awarded "Best Oral Argument").

## Experience

Miguel Ángel López Mateo advises multinational groups, private equity funds (LPs, GPs and targets) and some of the largest international asset managers mainly in their activities related to the food industry, to agribusiness and to natural resources, but also in areas closely linked to it (such as biotechnology, food logistic, chemical companies, food industry machinery manufacturers, etc).

In addition to his experience in mergers and acquisitions, private equity and project financing, he has unparalleled experience in real estate linked to agriculture, agribusiness and food industry plants, factories

and warehouses.

Miguel Ángel has advised many of the largest food companies in matters linked to food chain legislation and in their relationships with AICA, as well as several regional associations such as Ecohal, Coexphal, Proexport, Ailimpo, Apoexpa or Vitartis, among others, and some national federations such as FEPEX.

Having trained in the UK and the US, as well as in Germany, he has particularly strong ties with foreign clients, as well as with Spanish clients with a strong presence abroad.

He is regular speaker in the main events and seminars related to investments in food, drinks and agribusiness, and in the food sector regulation, such as the Legal Congress of Agrifood of the Madrid Bar Association, or in the World Agrifood Summit in the conferences broadcasted by the national TV studios RTVE.

He speaks English, Spanish, German and Chinese.
