Tax

Experience

Pablo Scherschinski Luca de Tena is a counsel in the Tax Department at the Palmas de Gran Canaria office.

He has extensive experience providing tax and accounting advice to medium-sized and large companies and business groups, as well as individuals and family businesses. He also has experience in tax due diligence reviews, corporate restructuring and planning, and the Canary Islands economic and tax regime.

In addition, he provides recurring advice to business groups on tax consolidation and corporate restructurings.

He was a lecturer in the Master’s in Business Taxation of ESCOEX on Gran Canaria and Tenerife from 2008 and 2010, respectively, teaching the subject of business accounting, as well as various corporate income tax case studies.

Pablo Scherschinski Luca de Tena is a member of the Palmas de Gran Canaria Economists Association.

Academic background

Degree in Business Administration and Management, Universidad Francisco de Vitoria.

Global Village for Future Leaders of Business and Industry, Lee Iacocca Institute and Lehigh University (USA).
