Dispute Resolution: Litigation and Arbitration
Automotive

Jaime is the partner in charge of the Bogotá office and joint partner in charge of the Mexico offices (Mexico City, Monterrey and Querétaro) and of the Brazilian Desk.

He is a member of the Litigation and Arbitration Department, where he specializes in the resolution of disputes with a strong cross-border/international component, through arbitration and other dispute resolution mechanisms.

Furthermore, given his long track record in Latin America, he has provided assistance and advice on the establishment and growth of a wide range of companies and projects in the region in very diverse sectors, as well as to Latin American companies setting up in Europe.

Experience

Jaime has amassed a wealth of international arbitration-related experience, having acted in numerous ad hoc arbitration proceedings administered by institutions such as the Court of Arbitration of the International Chamber of Commerce (ICC), the Court of Arbitration of the Madrid Chamber of Commerce (CAM), the Brazil-Canada Chamber of Commerce, the Zurich Chamber of Commerce, the Spanish Court of Arbitration, the Civil and Commercial Court of Arbitration (CIMA), and the Arbitration and Mediation Center of the Mexico City Chamber of Commerce (CANACO), among others, involving laws applicable in myriad jurisdictions (Spanish, Brazilian, Swiss, Argentinean, Bolivian, etc.) and very different seats of arbitration (Madrid, Paris, Buenos Aires, Zurich, Sao Paulo, Mexico City, Barcelona, etc.).

His main areas of expertise are large construction or industrial projects, the energy and automobile industries, distribution and agency agreements and company sale and purchase agreements.
