Administrative and Constitutional Law

Agribusiness and Food

Environmental

Cristina Maestro is a senior associate in the Administrative, Planning and Zoning and Environmental Law Department of the Garrigues' office in A Coruña.

She has provided legal advice in Administrative, Environmental and Food Law, among other areas.

Experience

Cristina Maestro is a senior associate in the Administrative and Urban Planning Law Department of the Garrigues' office in A Coruña, which she joined in 2018.

She has provided legal advice to public and private entities and to non-profit organisations in different matters in administrative and contentious administrative proceedings:

- Administrative law: public procurement, enabling titles, public subsidies, administrative sanctioning procedures, liability of public authorities, etc.
- Environment: environmental assessment, waste and packaging, water, contaminated soil, atmospheric pollution, natural and cultural heritage, etc.
- Food and feed: labelling, nutrition and health claims, technological ingredients, sanitary registration, hygiene, food crises and alerts, quality designations, organic production, etc.
- Agribusiness: agricultural, livestock and forestry operations; food and feed; fertilisers; subsidies, etc.
- Regulated industries, such as energy, mining, ports, gambling, transport, etc.

Additionally, she has participated in due diligence processes and the preparation of draft laws.
