Tax

Guillermo Vejo Gamero is a principal associate in the Tax Department. He specializes in tax litigation.

He has extensive experience providing advice on an ongoing basis to companies and groups in a range of sectors, regarding direct and indirect taxation and accounting matters.

He also regularly advises family businesses and high net worth individuals.

As a member of the tax litigation group, he has established expertise defending the rights and interests of taxpayers in proceedings before judicial review courts and tribunals at all instances.

He also teaches in the Master's Degree in Tax Advisory and Accounting at the IFFE Business School in La Coruña, and regularly participates as a speaker at seminars and conferences on the tax practice.

Guillermo has a Degree in Law, in the economic-business area, from Universidad de Vigo, and a Master's Degree in Tax Advisory and Taxation from Centro de Estudios Financieros, and he is a member of the Vigo Bar Association.

Experience

Guillermo Vejo has been a principal associate in Garrigues' Tax Department, having joined the firm in 2013.

Since then, he has provided ongoing advisory services to companies in a range of sectors in relation to tax, corporate and accounting matters.

He also regularly advises family businesses and high net worth individuals.

He specializes in tax litigation, and has established expertise defending the rights and interests of taxpayers in both administrative proceedings and before judicial review courts and tribunals at all instances.

He also teaches in the Master's Degree in Tax Advisory and Accounting at the IFFE Business School, where he conducts the tax procedures module, and regularly participates as a speaker at seminars and conferences on the tax practice.
