Intellectual Property

Life Sciences and Healthcare

Mariajosé has 9 years' experience in the area of intellectual property litigation and in particular, in the protection and defense of industrial property rights. She also has 5 years' experience in healthcare-related litigation and consulting in both areas.

Experience

Mariajosé Ayala is a principal associate in the IP practice. She has broad experience in administrative litigation, specializing in healthcare-related and intellectual property litigation. She also provides advice on healthcare-related matters, intellectual property and consumer rights.

Mariajosé participates in strategic litigation in connection with obtaining health authorizations and the defense of industrial property rights.

She is fluent in Spanish, English and Italian.
