Banking and Finance
Securities Markets

Ángel Antonio has over 3 years of experience in the securities market. His practice focuses on providing general advice to domestic and foreign issuers and underwriters on the placement of debt, equity and related securities. He has experience in a range of financing transactions, international debt issues, equity transactions and related assets, local debt, public mergers and acquisitions, securitization of assets and structured products.

Experience

Ángel Antonio Sibaja Cedillo is an associate in the Banking and Finance and Securities Market practices. He participated in a number of significant financing transactions in 2023 and 2024, including the establishment and issue of trust certificates for various entities. In 2024, he participated in the establishment of a program and in issuances of long-term trust certificates for a lessor, as well as a tender offer for a company in the commercial sector. He also represented a brokerage house in the issuance of trust certificates of a financial entity and he was involved in the debt restructuring of a motorway concession-holder by means of the issuance of long-term trust certificates. Additionally, he participated in the extension of the trust certificate program of a global food company and in the updating of the registration on the National Securities Register of a major drinks company, following the cancellation of shares.

He took part in the establishment and issuance of trust certificates for a financial services firm and in the first direct listing of shares of a company on the Institutional Stock Exchange (BIVA)

During 2023, he was involved in various issues of trust certificates, such as the issue of foreign debt securities of a telecommunications company, and in the structuring of issues for companies in the food, drink, entertainment and other industries. He also participated in the establishment of a dual short- and long-term trust certificate program for an international financial institution, and in the structuring of a similar program for a guarantee reserve in Mexico, with Bank of Spain as trustee.

He is a native Spanish speaker and is fluent in English and French.
