Tax

Laura has over 10 years' experience in foreign trade and regulatory matters. She has outstanding expertise in foreign trade and regulatory consulting, advising Mexican and international companies from different sectors in the development of their commercial operations in Mexico and subsequent expansion through compliance strategies.

She also worked at an international law firm where she acquired experience in the treatment and regularization of multinationals, antidumping and countervailing duties procedures.

Laura has a degree in Law from Universidad Iberoamericana Mexico City campus. She also has a diploma in International Trade from Escuela Libre de Derecho.

She was recognized by Best Lawyers as One to Watch in 2023 and 2024.

Experience

Laura Sánchez is an associate in the Tax practice. She has extensive experience in antidumping and countervailing duties procedures, export promotion programs, rules of origin, origin verifications, tariff classifications, customs valuations, non-tariff regulations and restrictions, as well as compliance with Official Mexican Standards across different industries, such as food, pharmaceutical, cosmetics and textiles.
