### Administrative and Constitutional Law

---

Lawyer with a practice centered on contentious and non-contentious administrative law in the infrastructure and concessions sector, including permitting, expropriation, and sanctioning procedures. Represents clients in judicial and constitutional actions, administrative claims, and arbitration related to performance obligations, tariffs, service levels, and unilateral modifications by public authorities. Advises on procurement challenges, contract interpretation, and compliance strategies before sector regulators and the comptroller.

### Experience

Lawyer with experience in contentious and non-contentious administrative law matters in the infrastructure and concessions sector, including permitting, expropriation, and regulatory enforcement proceedings.

### Academic background

Law graduate from the Catholic University of Chile
