Dispute Resolution: Litigation and Arbitration

Luis Carlos Del Moral is a principal associate in the Litigation and Arbitration department at Garrigues's Barcelona office, where he has worked since 2008.

He provides recurring advice and defence in litigation in any proceedings in the areas of civil, commercial and insolvency law. In addition, he advises on out-of-court relations and disputes. He also participates in due diligence reports on share and/or assets deals and sale purchase transactions and investments.

Degree in Law, Universidad de Jaén. Master's Degree in Corporate Finance, ESADE. Master's Degree in Business Law, Centro de Estudios Garrigues & Harvard Law School.

He has more than fifteen years' experience in the litigation practice.

Experience

Luis Carlos Del Moral is a principal associate in the Litigation, Arbitration, Restructuring and Insolvency Team of Garrigues in Barcelona.

In his professional activity he provides advisory services in the areas of civil and commercial litigation and insolvency law. Particularly, he has wide experience in:

Strategic, global and complete advising on issues of general private law, and client's interests defense in out-of-court and judiciary scenarios.

Civil and commercial disputes over contractual matters such as termination, fulfilment or interpretation of any kind of civil or commercial contract, real estate and construction law, corporate disputes and conflicts, shares/assets purchases agreements, non-contractual liability, unfair competition, directors' liability, etc.

Advising financial institutions in foreclosure proceedings on collateral and personal guarantees for the recovery of claims, debt portfolio purchases and proceedings related to validity and performance of banking contracts.

General advice in insolvency proceedings, both from creditor and debtor perspectives, both during the pre-insolvency phase and the insolvency proceedings. Furthermore, she has handled winding-up and qualification sections in insolvency proceedings and purchases of production units of insolvent or pre-insolvent companies.

General advice and participation in arbitration proceedings.

Participation in due diligence reports on share and/or assets deals and sale purchase transactions and investments.
