Sustainability

Thomas Thorndike is a partner at Garrigues´ Corporate Department, based in our Lima, Peru office.

He specializes in finance transactions (corporate finance, acquisition financing, project finance, etc.), M&A, capital markets regulation and transactions (both domestic and cross-border), Corporate Law, projects and pre-bankruptcy financial restructuring.

He is a *summa cum laude* graduate from Universidad de Lima, and holds an LLM degree from Columbia University.

Finally, he is also a professor at the Law School of Universidad del Pacifico.

Experience

Prior to joining Garrigues, he was a partner at Rubio Leguía Normand (Lima), having also worked as an associate at Weil Gotshal & Manges (New York) and Cuatrecasas (Madrid).

He has over 20 years of experience in the structuring, development, acquisition/sale and financing of companies, ventures and projects, having practiced Law in three different jurisdictions (Peru, Spain and the U.S.).

Industry experience includes a broad range of sectors, such as infrastructure (toll roads, airports, logistics, rail, irrigation, telecom, etc.), financial services, agriculture, health, mining, oil & gas, retail, real estate, fishery and electricity (generation, transmission and distribution), among others.

Several of the trasnactions he has led overtime have been the matter of recognition and/or awards, including:

- Latin Finance Project & Infra Finance Awards: Airport Financing of the Year 2021
- Latin Finance Project & Infra Finance Awards: Digital Infrastructure/ Telecoms Financing of the Year 2021
- IJGlobal Awards 2020: LATAM Refinancing Renewables deal of the year
