Álvaro Díaz is a senior associate lawyer in the Corporate/Commercial Law Department of Garrigues, specialized in banking and finance as well as commercial contracts matters.

He has extensive experience in advising creditors and debtors on all kinds of financing and refinancing transactions, both regarding domestic and international transactions, including project finance transactions, acquisition financings and venture debt financings with hybrid instruments that provide access to share capital. In addition, he regularly advises developers and financial institutions on contractual and corporate matters related to the development of all kinds of projects.

Álvaro was based at the New York office of Garrigues during 2023.

### Experience

Álvaro is specialized in banking and finance matters, advising in all kinds of financing and refinancing transactions, both in the context of domestic and international transactions. He regularly advises both creditors (including financial institutions and funds) and debtors (including companies in various sectors of activity).

Álvaro has extensive experience in project finance, acquisition finance as well as in various types of structured financing. He also has experience in venture debt transactions with hybrid instruments that give access to share capital such as warrants.

In addition, he has a solid experience in contractual and corporate matters related to the development of all kinds of projects, providing recurring advice to developers and financial institutions in the context of such projects.

During 2023, Álvaro completed a secondment in the New York office of Garrigues, where additionally he participated in the commercial and relational tasks of the office.
