Restructuring and Insolvency
Corporate and M&A
Banking and Finance

Adolfo Bujarrabal de Grandes is a senior associate in the commercial law department of the Barcelona office of Garrigues, where he has spent his entire professional career, advising on financial and banking law, restructuring and insolvency, mergers and acquisitions, commercial contracts and corporate law.

He has extensive experience in commercial, corporate and contractual legal advice and experience in the field of mergers and acquisitions, but particularly in recent years he has spent most of his professional career advising on transactions in the financial and banking field and in the field of debt restructuring, both nationally and in international transactions.

Experience

He joined the firm in 2018 and has been a senior associate since 2024.

He has extensive experience in commercial, corporate and contractual legal advice and experience in the field of mergers and acquisitions, but particularly in recent years he has spent most of his professional career advising on transactions in the financial and banking field and in the field of debt restructuring, both domestically and in international financing transactions. In particular, he has participated in many debt restructuring operations at national level and in financing operations in various sectors and of different types, whether bilateral or syndicated, advising both accredited companies in very diverse fields and sponsors, as well as financing entities, and with respect to a wide variety of structures, from corporate financing or for the acquisition of assets, to project finance, real estate financing, sale and leaseback transactions.

Academic background

- Graduate in Law from the Universitat Pompeu Fabra, 2017.
- Graduate in Business Administration and Management from Universitat Pompeu Fabra, 2018.
- Erasmus Exchange Programme student at Université Catholique de Louvain (Belgium), 2016.

- Master in Law from Universitat Pompeu Fabra, 2018.

Teaching activity

He has given lectures and seminars at Universitat Pompeu Fabra and ESADE.

Memberships

He has been a member of the Barcelona Bar Association since 2018.
