Dispute Resolution: Litigation and Arbitration

Bastián Olivares Araus is an associate in the litigation and arbitration practice.

His main field of practice is arbitration, civil litigation and competition law disputes.

Experience

He has extensive experience in civil litigation and arbitration, in various areas, including construction, commercial and infringement disputes. He is also involved in antitrust litigation before the Tribunal de Defensa de la Libre Competencia, representing clients in disputes in various relevant markets.

He also advises on a recurring basis on contractual matters, both at the contractual and pre-contractual stages, as well as in pre-judicial negotiations.

He also serves as the Secretary of Arbitral Tribunals of the Center of Arbitration and Mediation of the Chamber of Commerce of Santiago.

Academic background

- Diploma in Implementation and Management of Compliance with an ESG Perspective, Universidad Diego Portales School of Business and Economics (2022-2023).
- Lawyer, Supreme Court (2021).
- Master's Degree in Criminal Law and Criminal Procedure, Universidad Diego Portales Law School, highest distinction, first place in his promotion (2020).
- Bachelor of Laws, Universidad Diego Portales Law School, highest distinction (2019).

Teaching activity

He works as a professor in the Civil Procedural Law department at Diego Portales University since 2023.

He worked as a professor in the department of Civil Procedural Law at the Universidad Adolfo Ibañez.

He was assistant professor in the department of Criminal Law and Criminal Procedural Law at the Universidad Diego Portales from 2020 to 2022, where he also works as assistant of different courses in the departments of Criminal Law and Procedural Law.

Memberships

Bastián is a member of the Chilean Bar Association.
