Dispute Resolution: Litigation and Arbitration

Family Business

Agribusiness and Food

Raquel Carrillo Rodríguez is a Senior Associate in the Tax Law Department of Garrigues, where she practices. She is a lawyer specialising in tax litigation. She frequently acts as an appellant before the various Spanish courts (Supreme Court, Audiencia Nacional, etc.) against the Tax Administration.

She provides recurring advice on tax matters to companies in various sectors in the public and private sectors and is involved in advising on all types of matters related to the problems of "family businesses", especially in the area of succession planning.

He is a regular speaker at the firm's seminars and conferences and has also participated in lectures at various specialised centres.

Experience

Raquel Carrillo Rodríguez is a Senior Associate in Garrigues' Tax Law practice in the Valladolid office, which she joined in 2002 and where she has spent her entire professional career. He is currently a member of the Tax Proceedings Group in that office. He frequently acts as an appellant before the various Spanish courts (Supreme Court, National High Court, etc.) against the Tax Administration, presenting the corresponding pleadings or appeals at the various instances, advising on all types of tax proceedings (tax enforcement proceedings - inspections, limited checks, etc. - or more specific proceedings, such as those involving disputes in the application of tax legislation, simulation, proceedings for the derivation of tax liability, value assessment, etc.).

He has extensive experience as a recurrent advisor in the tax field for public and private companies as well as for foundations. He participates in tax advice in the design and implementation of corporate restructuring (mergers, spin-offs, etc.), as well as in the handling of all kinds of issues related to the problems of "family businesses", especially in the field of succession planning.

He has an intense activity as a representative of taxpayers in numerous inspection procedures where he has a wide experience that has made him master the tax procedures.

She is a regular speaker at various lectures and conferences organised by the firm in conjunction with various regional institutions. She has been a lecturer on Corporate Tax and Value Added Tax in the Master's Degree in Business Law at the Faculty of Law of the University of Valladolid and the Chamber of Commerce of Valladolid, as well as at the School of Legal Practice of the University of Valladolid.

Academic background

- Degree in Law, Universidad Autónoma de Madrid.
- Other specialised courses in accounting and litigation.
