Esther Andrés Martín is a senior associate in the Tax Law Department at Garrigues, where she has been working since 2007 as a specialist in the areas of direct taxation, indirect taxation, real estate taxation, corporate restructuring and family business advisory services. He provides recurring tax advice to multinationals established in Castilla y León as well as to family-owned groups and other public capital entities. She has also participated in the design and implementation of corporate restructurings and is intensely active as a representative of taxpayers in numerous tax proceedings. She holds a degree in Business Administration and Management from the University of Valladolid, an Executive Master's Degree in Business Law from Centro de Estudios Garrigues in collaboration with Harvard Law School and a Master's Degree in Legal and Tax Consultancy from the Business School of the Chamber of Commerce and Industry of Valladolid. She collaborates as a teacher with the IAM Business School of the CEU group and the Business School of the Valladolid Chamber of Commerce.

Experience

Esther Andrés Martín is a senior associate in the Tax Law Department of the Valladolid office of Garrigues, having spent her entire professional career with the firm since she joined in 2007. In her professional activity she has advised the main companies and business groups belonging to various sectors present in the Region and has extensive experience in matters such as:

- Recurrent tax advice in both direct and indirect taxation, both in the field of national taxation and in that of regional and local taxation. Intense activity as a representative of taxpayers in numerous tax proceedings.
- Tax advice in the field of "family business" profits.

- He has experience in the field of M&A, participating in business reorganisation processes, company purchase/sale operations and due diligence processes.
- He is a specialist in tax advice to companies in the real estate sector.
- He participates in different talks and conferences organised by the firm.
