Administrative and Constitutional Law
Dispute Resolution: Litigation and Arbitration
Planning, Zoning and Environment
Agribusiness and Food
Tourism and Hotels
Real Estate

Melissa Castro is a counsel, her areas of practice are Urban and Real Estate Law, Administrative Law, Litigation and Arbitration.

Experience

Melissa Castro is a counsel, her areas of practice are Administrative Law, Urban and Real Estate Law, Litigation and Arbitration.

She worked in the 3rd Section of the Council of State (Consejo de Estado), in the Sub-department of Goods of the National Department of Narcotics, and has been an external advisor to CAJANAL and Fiduprevisora S.A.

She has a long experience in advising private companies from different economic sectors, public entities and unions in the legal structuring of real estate projects and contracts; on property and land components of infrastructure projects; and in the preparation of urban norm studies, land planning and management instruments. She also provides advice to clients on administrative and regulatory law matters in various industries, and on litigation concerning her area of practice.

Academic background

Melissa is a lawyer from Universidad Santo Tomás and specialist in Administrative Law from Universidad del Rosario.
