Administrative and Constitutional Law
Energy
Planning, Zoning and Environment
Sustainability

Victoria Esteban del Palacio is partner in the administrative law, planning and zoning practice and specializes in environmental law.

She has extensive experience in the area of energy. Her experience in this area includes the electricity industry and the hydrocarbons industry, both oil and gas, and she is an expert in the regulatory framework of renewable energies.

She also provides advisory services in relation to environmental law (environmental authorizations, water, coasts, protected areas, waste, climate change, energy efficiency, etc.) and zoning law (planning, zoning agreements, licenses).

Degree in Law and Business Administration from Universidad Pontificia de Comillas (ICADE E-3).

She has been singled out in Legal 500.

Experience

Victoria Esteban del Palacio has been a partner in the administrative law, planning and zoning practice since 2023 and has pursued her career at the firm since 2006.

She has extensive experience in the energy field, both in the electricity and hydrocarbons industries, and, in particular, in connection with renewable energy and cogeneration projects and other technologies (green hydrogen, etc.). She provides recurring advice from an administrative, environmental and regulatory standpoint to developers in connection with the authorizations and permits that are required to build and operate a facility in these sectors, and ad hoc advice on sale and purchase projects and other corporate transactions, as well as in financing operations.

She advises on matters related to the environment, such as waste, water, effluents, air emissions, noise pollution, protection of natural areas, contaminated land, environmental responsibility, energy efficiency and on zoning law (planning, zoning agreements, licenses).

She also provides assistance in all types of administrative proceedings, including penalty proceedings and lawsuits in this area.

Academic background

Degree in Law and Business Administration from Universidad Pontificia de Comillas (ICADE E-3).

Master’s Degree in Advanced Energy Law ENERCLUB.

Teaching activity

As regards her teaching experience, she was assistant lecturer on the law course of the Regulated Industries Program at Universidad Francisco de Vitoria.

Memberships

Victoria Esteban is a member of the Madrid Bar Association.

Distinctions

Victoria Esteban has been singled out in the Legal 500 directory.
