Labor and Employment

Mercedes is a Senior Associate in the Labor Department of Garrigues, a law firm in which he has been rendering his services since 2001. His work consists of giving recurring legal advice in the areas of Labor Law and Social Security to HR Departments of public and private companies, national and multinational. He studied Law at the University of Deusto in Bilbao, and has a master's degree in Legal Practice from the Bar Association of Bizkaia.

Since 2000, she has been working as a lawyer belonging to the Gipuzkoa's Bar Association on behalf of his clients in highly difficult processes related to Labor Law and Social Security. She is in charge of both litigation management and advice on the preparation of procedural strategies, with extensive experience in such areas.

She speaks Spanish, French and English.
