

Private Credit Iberian Summit

Thursday, January 29, 2026 • 15:30 to 20:35 h

Join the industry’s leading lenders, sponsors and key market participants at the 1st Garrigues’ Private Credit Iberian Summit.

The Summit will feature insights from senior executives from across the private credit, leveraged finance, restructuring and private equity sectors alongside members of Garrigues’ market-leading Banking & Finance, Debt Capital Markets and Restructuring practices.

Gain in-depth insights into how the Spanish and Portuguese private credit markets are evolving, through discussions led by some of the industry’s most influential players.
